Thank you for your interest in this stellar pairing

We look for these puppies to have exceptional Temperaments, Power, Deep noses and Strong drives suitable for multiple disciplines. This pairing should produce Solid nerves, Correct working drives, correct confirmation, heavy-bone, and expressive heads in darkly pigmented, standard coats.

Breeder will raise puppies for 8 weeks in our home using the Super Dog Program, ENS (Early Neurological Stimulation) and ESI (Early Scent Introduction). Puppies will be exposed to many different surfaces, sounds

Puppies will come microchipped and with age appropriate immunizations and deworming, health and registration documents, transition care package, new owner information packet and lifetime breeder support. Puppies will have been started on kennel and potty-training.

Being thorough with your responses will help to provide the best match to meet your needs. After a phone call to clarify needs and address questions, a copy of the sales contract will be sent to qualified applicants with an invitation to place a non-refundable deposit of \$500.00 towards a total purchase price of \$2500.00 for Limited Registration. 1 st Pick male \$3,500. and 1st Pick female are reserved for the breeder to retain, sell or place without restriction. Remaining puppies will be considered for homes that are the best match for applicant's needs and preferences.

Pick order will coincide with order of received deposits, and pick order is used solely to determine which home a puppy will go to, if two or more applicants desire the same traits in a puppy. Evaluations for drives and character traits will be performed and recorded weekly until placement decisions are made. Evaluations may give indications of personality or traits of the puppy.
